Kagyü Samyé Ling **Monastery and Tibetan Centre**

June 2010

To Whom It May Concern:

I have known Renato Mazzonetto since 1988. During that time I have known him to be a devoted student and practitioner of our living-Dharma Kagyü Lineage. Renato has a degree in philosophy specialising in Buddhism and he has also participated in two closed long-term retreats. He completed his first long retreat of three years and three months in 1997. His second retreat was four years in duration and finished in June 2009.

For these reasons, while Renato is living in Italy, I have appointed him to be my spiritual representative there.
